ALL-STARS MEET FORT RUGER AT NOILILI FIELD

Crumpler and Brinza Will Be
Ready for "Christy" Kelly
Tomorrow Afternoon

Japanese baseball fans of Honolulu as well as others who have watched the little Asahis in action, will have an opportunity to give Murakami's bunch the once-over on Sunday afternoon, when the little Japanese team meets the McKinley squad in the first game, which begins at 1:30 o'clock.

Masako, the little southpaw, is expected to hurl for the Asahis, with Yoshikawa behind the bat. Lieut. Monsarrat will pitch for the McKinley team, and Ken Leong will do the receiving. Monsarrat has been pitching good ball of late, and the Asahis are expecting a hard game.

Sam Kahalawe and Henry Chillingworth have had the McKinley team out for practice, and tomorrow will go to Kaula, this trio has had plenty of training. Miyahara and Nishida of the Asahis will both go to Kaula. The Asahis play teamwork with the best of them, and Murakami has lined up a team without featuring individual stars.

McKinley will have a number of Japanese players on the team, and the Japanese fans will have an excellent opportunity of judging the future stars of Honolulu. Kurano, Tsukiyama, Masachi, Iwanaga and Suzuki will be seen in the lineup. These players have proved their worth with McKinley and the high school is counting on these players to help in the victory.

All-Students Practice
The All-Students held their last practice yesterday afternoon and Bill Miles was well pleased with the splendid showing of the school lads during the past week. Nishida, the "boy wonder," and Third Baseman Miyahara were also shaping themselves in condition for the Kaula trip. The infielders and outfielders had the hardest workout with Henry Kaula and Flier hitting hot grounders and bullet liners to them, while Miles stood on the sidelines looking 'em over. A large crowd witnessed the students in action.

After the practice the team was given new signals by Miles and Brother Elmer. The signals, though many, were simple, and the players of the Garden Isle will have to scratch their heads in order to catch any of them. This afternoon the school lads will show the fans and fanettes that they are real ball players and the signals will be run through without any notice.

Nishida Will Pitch
Today the All-Pacifics will have to play ball in order to win from the All-Students. Nishida will hurl for the school team, while Sam Ku will be the choice slabster for the Pacifics. The students are going out to win and a hard battle is expected.

The All-Pacific team is a hard-hitting squad, but when it comes to playing real baseball the students must not be overlooked. The probable lineup with the batting order will be: Sam Heng, rf; Haneberg, 2b; Lai Sinn, 1b; Chnn, cf; Iwanaga, lf; Miyahara, 3b; Kuraki, c; Yon, 2b; Heng, p. This lineup will no doubt be a slugger in speed and pep. Many fans have picked the All-Students as a slugging team and whether they will outbatter the opposing team will be seen today. This is the last contest that the school lads will play here. On Monday at 5 o'clock the boys will sail for Kaula with "Smiling" Billy Miles.

Blue and White Oarsmen Will Go After Honors at Hilo, July 4

Healeni "Class B" crew, caught in their last workout on the harbor. The Healeni second crew have been working hard under the direction of James Lloyd and Charley Brown, and expect to land the Class B race on Independence Day at the Crescent City. Last year the Healeni crew carried off the honors at Hilo, and the Blue and White followers want two wins this time. It will be up to this crew to do their share. The men from left to right are: Charley Brown, George Bushnell, Dan Weight, J. W. McCrillie, L. Dowsett, F. O. Gaff and Frank Cunha.

MAUI RACE MEET WILL BE SUCCESS

Kahului Events Will Be Carried
Out in Regular Way; Honolulu
Horses Will Go

(Special Star-Bulletin Correspondence.)
WAILUKU, Maui, June 28.—Just what horses are coming from Honolulu for next week's races at the Kahului track are not definitely known up to the present time. It is known, however, that Walter Dillingham's Umqua and Opeta will arrive by tomorrow morning's Claudine while Macfarlane's Mary Jay, which ran such a wonderful race with Harry Baldwin's Frances B. in the recent Honolulu events, is also expected. There is hope that Bob Shingle's horses will also be with the bunch, but as nothing specific has been heard from Shingle this is uncertain.

There is a good chance also that El Oro and Carmelita, the two pacers which made a great showing two weeks ago, will also come. But nobody here is losing sleep over what Oahu horses do or do not come, for the card is well filled in any event, and while the visiting horses will of course help the big Fourth of July event if they come, their absence will by no means spoil the meeting, or even seriously handicap it.

Anthrax Causing No Worry
The fact that there has been no new centers of infection since those reported last week, and that the nearest of these is 8 or 10 miles away from Kahului, has enabled Dr. Norstrom to assure the Honolulu horsemen of the lack of danger in bringing their animals up.

Polo for Afternoon
The race program has been so arranged that the races will be finished by 5:30, in good time for the polo game which is to take place at the Keahua field half an hour later. This game is between the Maui and Oahu teams. The Honolulu ponies are due to arrive tomorrow morning also. The Oahu poloists, who were defeated in two games in Honolulu recently by the Maui four, it is understood are out this time to win, and a hot battle is anticipated.

As a result of a little "rustling" on the part of the directors of the Maui County Fair and Racing Association, the organization now has a membership of 121. Of this number 26 are women. It is confidently expected that a membership of several times this size will be had before long. In fact quite a number of names were in the hands of various directors for presentation, at the meeting Wednesday afternoon, but owing to the fact that the formality of the initiation fee had been overlooked, they had to be ignored for the time being. Membership for men in the association costs \$10 and for women \$5. The dues for all alike are \$1 per year. The directors report that almost everybody seen had been anxious to become identified with the organization.

Racing Rules Set
The racing committee reported that plans for the Fourth of July races are working out well, and that barring some unexpected contingency the excellent program prepared will be put through without a hitch. The fact that there has been no anthrax within eight or ten miles of the race track, and that there have been no new areas of infection for over a week, made it safe for the Honolulu horses and local racers expected to take part, was the opinion expressed by Dr. J. C. Fitzgerald, deputy territorial veterinarian. Dr. Fitzgerald further stated that there is probably less danger to the Honolulu horses in coming to Maui than there was for the Maui horses, which went to Honolulu several weeks ago at the time of the anthrax outbreak there.

FRANCES COWELLS MAKES GOOD IN LONG DISTANCES

(By Associated Press.)
SAN FRANCISCO, June 30.—The winning of the Golden Gate swim by Miss Cowells of San Francisco has shown her to be a versatile swimmer, who excels both in the short and long distances, which generally is conceded to be a rare attribute in any athlete. Miss Cowells's favorite distances range from 50 to 500 yards, and in these she holds several national and coast titles. Her recent achievement across the strait, which connects San Francisco Bay with the Pacific Ocean, was swum over a course approximating a mile and a quarter and is the longest distance she has attempted in competition. While her friends had no misgivings concerning her from the point of view of speed and strength, they were uncertain whether she would be able to negotiate the rough and open water to which she has not been accustomed. Her time of 41 minutes and 15 seconds constitutes automatically, a record as this course has never been swum before, former swimmers across the famous trip of water having taken the contestants over a shorter route.

SAYS AIRPLANES GREAT FIGHTERS

WASHINGTON, June 15.—"Put the Yankee punch into the war," is the way Brigadier-General Squier, who directs the aviation service, expressed today in discussing the great airplane programme, which, if passed by Congress, will involve appropriation of something like \$600,000,000 in the beginning.

"Airplanes," said General Squier, "are the logical fighting machines for Americans because we are an imaginative people, and when our imagination strikes fire nothing can stop us. The game ideally suits the American temperament, and every young American worthy of the name should be keen to join our flying army."

"An army in the air, regiments and brigades of winged cavalry, mounted on gas-driven flying horses, could blind the eyes of Germany until her gunners, absolutely deprived of range finders, would be put out of business by the allied artillery. The magnificently obvious thing is to knock out Germany's eyes by a thrust through the air. But my idea would be something vastly larger than a thrust. Inundation of airplanes would better express the idea in its magnitude."

Charles H. Kuhn was awarded damages of \$14,740 against the Ligonier alley Pa. Railroad. He was a conductor on the passenger train which was wrecked and twenty-three persons killed.

The widener Library at Harvard university has received a gift of 1,500 volumes from the collection of the late Frederick Lewis Gay from Mrs. Josephine Spencer Gay.

"Heinie" Schmidt Will Do His Bit

The fact that Heinrich Schmidt, western amateur golf champion, is seeking a commission in the Engineer Corps of the United States army and that he is very likely to get it, will rob the links of another brilliant player this season when he was playing to the very top of his best form. Under the circumstances it has been stated that Schmidt will not be on hand at Midlothian, Illinois, this year to defend his title.

Schmidt has been playing good golf since coming to Honolulu, and the match between Giffard and Bell and Schmidt and Greig at Schofield and Haleiwa should be one of interest. Greig is hard to beat on the Schofield course, but Schmidt is the type of player who can quickly adjust himself to new courses. He is without doubt the best amateur player who has come to Hawaii.

ARISTOCRATS OF DOGDOM IN CITY

There has been much interest in dogdom since the arrival of three members recently in Honolulu. Honolulu dog fanciers have expressed a wish that more dogs of the aristocracy of those owned by Mrs. Joseph H. Gray could come here, and at present there is an agitation to hold a dog show.

All three importations are females, registered in the pedigree records of the American Kennel Club. Arizona Queen, A. K. C. 188,362, has proved her worth. Although not perfectly marked, she has produced perfectly marked puppies. She is by Derby Boy, out of Jessica, and among her ancestors are such sterling dogs as Belloc, Derby Boy and Emperor. Chicquita is a daughter of Arizona Queen, sired by Flyers Scoop. Grey Spider is a half sister of Chicquita, and is five months old. The dogs are now at the quarantine station. They stood their trip splendidly.

MARINES DOWN FIRESTONE IN GAME FRIDAY

Pitcher Nicholas of the Marines stopped the Firestone team of the Honolulu League yesterday afternoon at Fort Armstrong. The Marines won out by a score of 8 to 1. Hicks, who pitched for the tire men, was hit throughout, the game ending in the sixth inning. Head was ahead in batting, while Whitehead, Thompson, and Dorchester also hit well.

TIGER BOSS ON FURLOUGH

Fvt. 1st Cl. George Price, "the live wire manager" of the Ruger Tigers, leaves Honolulu for the mainland on a two months' furlough, sailing on the July transport.

ASAHI'S BATTLE WITH M'KINLEY SQUAD SUNDAY

Two Fast Organizations Will
Meet at Moiliili in First of
Doubleheader

Crumpler or Brinza will be sent on the mound to stop the Fort Ruger team in the game at Moiliili field tomorrow afternoon. In the last game the Giants defeated the Stars by a narrow margin, and the Chilly crowd is aching for revenge.

Kelly or Pruitt will perhaps be the selection for the Giants, and inasmuch as Kelly stopped the Stars the last time, he may be given a chance to go out for a double victory. Manager Stewart has strengthened his team by the addition of two University players from the mainland, who have been showing up well to date. The fact that Johnson was shunted to the outfield means some fast work on the part of Davis and Alman around the second sack.

The Giants have made many friends in the city during their play in the league, and as a rule the crowd has turned out in large numbers when they play. Chilly's team made a great fight in the last game with the Baby Regiment, and Crumpler's work in the pinches saved the day.

The Lineups
Stewart has decided to line up his team as follows for the game on Sunday: Johnson, cf; Bailey, 1b; Benham, c; McClain, lf; Cummings, cf; Davis, ss; Alman, 2b; Womack, 3b; Pruitt, p; Kelly, rf; Brintnall, c; Langley, cf; Perry, rf. The All-Stars' lineup will be as follows: Judd, cf; Lyman, 1b; Chilly, ss; Akana, lf; McGavin, c; Critchfield, 3b; Dunlap, rf; Lynch, ss; Crumpler, p; Brinza, p; Salmon, c; Rice, rf; Williams, p.

In the Honolulu League the Firestone team, composed of soldiers from Fort De Russy and Shafter, will play against the Japanese at Athletic park tomorrow afternoon. The Chinese and Portuguese will meet in the second contest of the day. The first contest will begin at 1:30. On July 4 the St. Louis team will play the Japanese and the Firestones will meet the Portuguese.

The Hawaiian Electric and Schumann will meet at Athletic park tomorrow morning in the first game, and Service First will play the von Hamm-Yung team in the second contest. Mutual and Coombs battle at Moiliili in the first game, and the Spalding and Reach squads play in the second contest.
